

Cara membuat link ke web gunadarma menggunakan www.blogger.com

1. Masuk Dashboard Admin Klik Layout

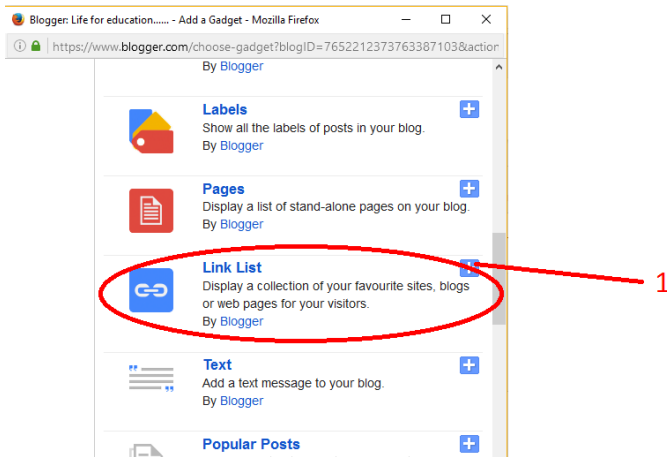

The screenshot shows the Blogger Admin Dashboard for a blog titled "Life for education.....". The left sidebar contains a menu with items: Overview, Posts, Pages, Comments, Stats, Earnings, Campaigns, **Layout** (circled in red), Template, and Settings. A red arrow points from the "Layout" menu item to a red number "1" on the right side of the dashboard. The main content area shows a list of posts, including one titled "Aktifkan link ke Website Gunadarma".

2. KLIK add a gadget

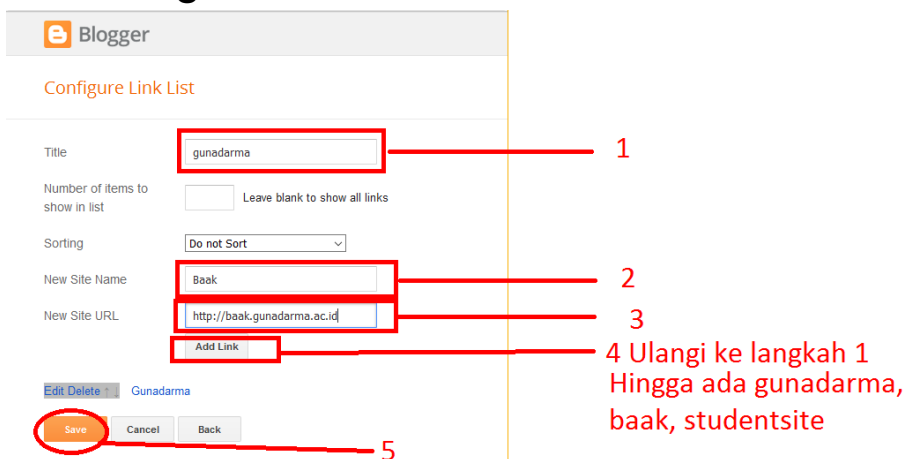

The screenshot shows the Blogger Admin Dashboard in the "Layout" section. The left sidebar contains a menu with items: Overview, Posts, Pages, Comments, Stats, Earnings, Campaigns, **Layout** (circled in red), Template, and Settings. A red arrow points from the "Layout" menu item to a red number "1" on the right side of the dashboard. The main content area shows a preview of the blog layout with a "main" section containing "Blog Posts" and a "sidebar-right-1" section containing "Navbar" and "Page Header gadget". A red circle highlights the "+ Add a Gadget" button in the sidebar-right-1 section.

3. Klik Link List

4. Isi Configure Link list

5. Selesai
