The image shows a screenshot of a WordPress website theme named "Sela". The website is displayed in a browser window with the address bar showing "My Sites" and "Reader". The main content area features a large header image of a desk with a keyboard, books, and a smartphone. A white box in the center of the header contains the text "HOME" and a welcome message: "Welcome to your new site! You can edit this page by clicking on the Edit link. For more information about customizing your site check out <http://learn.wordpress.com/>". Below the header, there are three text widget areas, each containing a different image (flowers, cupcakes, and a camera) and a description of the widget. The footer area contains a contact map, an "ABOUT SELA" section, and a "NAVIGATION" section with social media links for Facebook, Twitter, Pinterest, Flickr, and Instagram. A "GUNADARMA" section is also present in the footer, with a callout box pointing to it that says "Kategori Link Ke Gunadarma, tambahkan studentsite dan baik". The bottom of the page features social media icons for Facebook, Twitter, Pinterest, and YouTube, and the text "BLOG AT WORDPRESS.COM."
